

STREAM~N Network

The **STREAM-N Network** engages youth and the broader community to steward our lands and waters for the benefit of people and wildlife. We learn from nature to enhance our impact.

STREAM~N Teams address critical issues impacting their communities, while developing career readiness, critical thinking, creativity and teamwork skills.

STREAM~N Team members pause during oak savannah restoration work.

"I love being able to choose activities and work in a team of teens to help the environment. I also like learning a lot about plants. STREAM~N Team is amazing!" – Natalia, age 16

Hands-on opportunities build supportive community and help prepare teens for the future. They help with riparian restoration, fun trash pickups, research and other activities they choose.

Participants receive monetary stipends while exploring career pathways through collaborations with partners in education, industry, the non-profit sector and government. They build self-esteem, skills and grit tackling tough challenges together.

Empowering young leaders through:

Science

Technology

Research

Engineering

Arts

Math

Nature

Impact since our first STREAM~N Team launched in Clackamas County in June 2025:

Teens engaged from area schools

Service-learning projects

Youth in programs outside of school time

Join us as we expand STREAM~N Teams to Portland, Salem and beyond!

We invite you to support our work with a monthly or one-time donation. The funds directly support youth and our local communities. The STREAM~N Network is a 501(c)(3) non-profit organization and your donations may be tax-deductible.

Donations help us expand through community partners to reach more underserved youth.

Visit stream-n.org to learn more.

Questions and volunteers are also welcome!

STREAM~N Team youth learn from experts at Timberlab, creators of the innovative 9-acre mass timber ceiling at Portland International Airport.

“The outdoor service work is really fun and I like learning about careers, water quality and a lot more!” – Wesley, age 16
